“Dear Councilwoman, I live in Los Olivos Mobile Home Park in Sylmar and I want to report that our neighborhood has become a big trash dumping ground for businesses, individuals, homeless and the industrial community adjacent to our park. Our neighborhood is constantly filled with garbage and trash. It's not just a matter of getting a "ticket" and waiting for the city to pick up an item or two. This is literally trash in the streets, trash on the pavements, trash and garbage on the side of the roads. It's everywhere and the problem is getting worse by the day. We also now have rats that go through the garbage. I almost got a flat tire today while riding over a giant piece of pvc piping that was thrown in the middle of the street. The worst areas are on Ralston and Olden St. east of San Fernando Road. I hope you can do something about this. It has become a disgusting place to live. Thank you! The residents of Los Olivos Mobile Home Park. ”
